*National Rental Affordability Scheme (NRAS)

A range of standard studio apartments at Iglu Central Park are supported by the National Rental Affordability Scheme (NRAS). This is an Australian Government initiative which aims to provide more affordable housing options for people renting. At Iglu, it means we have been able to reduce rents for some of our inner-city studios by at least 20% and pass this cool saving onto eligible students. If you apply for one of our NRAS rooms, we'll check your income upfront as part of the process. For full details see www.iglu.com.au/nras-scheme
